

MODEL

GC0618-1DZ 系列

直驱一体式综合送料厚料平缝机

Direct drive Heavy duty compound feed
lockstitch sewing machine

GC0618-1SCZ

GC0618-1DZ

本系列机型是在 GC0618 机型的基础上的改进产品，专门设计为厚重物料使用。结构坚实，强力送布系统，高压脚行程、高压脚提升间隙和大的线迹长度，能轻易的应付难处理和大块的面料和粗线。行走安静顺畅，压脚踏步产出卓越的缝纫功能。采用下送布、针送布和可调校交替压脚上送布的综合送布方式。适用于缝制包袋、行李箱、沙发座垫、拳套、吊装袋、皮革制品。

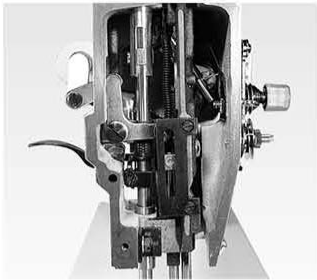

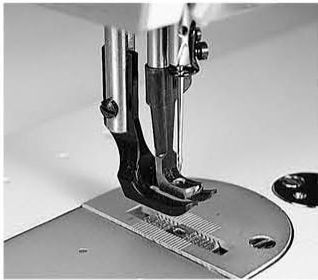

GC0618-1DZ 采用直驱电机，微电脑控制自动剪线和自动定针位、自动加固缝。

This model is an improved product based on GC0618, and specially designed for heavy weight fabric and leather. With its powerful feeding system, wider presser foot stroke, higher presser foot lift and longer stitch length, the sturdily structured machine can easily deal with laborious material and thick sewing thread. It features quiet sewing and compound feeding by feed dog, needle and walking presser foot, best fit for sewing bags, luggage cases, sofa cushions, boxing gloves, leather products, etc.

GC0618-1DZ is used direct drive servo motor and control box for automatic thread trimming, automatic needle positioning and automatic backtacking.
